

## QUESTIONS RAISED AT THE AGM

1/ The paths & bunkers where on last year's program, is there money in the budget to do the work this year?

We have recently prepared our 2014 CAPEX proposals and awaiting a response. This does include Paths & Bunkers

2/ Is it possible to have bins on the tee area so people can put their broken tees?

I will discuss this with MGD at our next meeting

3/ After some weekends, the car park is littered with broken glass can this addressed?

This has previously been addressed with Grant however I will ensure that it is again brought to his attention

4/ On occasions the gents toilets are in a disgusting state.

I am aware that we have had issues over the past months however I am currently resolving the issue to ensure high standards of cleanliness is maintained.
