

This year's club championship was played on Sunday 23rd June, a 36-hole scratch medal awaited.

A very warm day saw a relatively small field go out with all of Ricky's low handicap big guns missing for various reasons, this opened the door for a possible new champion to be crowned.

Tricky Ricky was living up to its name and was playing fairly tough on the day, but with some good golf the players came in with quite close scores in round 1. Leading the pack was Archie Ahmed who reversed his age of 67, with a 76.

After some lunch and light refreshments, the golfers headed out for the second round. Some excellent golf was played in the afternoon as most of the players had better scores than in the morning, but first out on both rounds and with a second-round score of 72, Rickmansworth Golf Club saw Archie Ahmed crowned as the new Club Champion. The evergreen Archie, who plays off a very respectable 8 handicap and can be seen practising most days at Ricky, was chuffed to finally capture the big one.

Archie captured the title after fending off past Club Champions Tom Moore in 2nd place, and Dave Miles in 3rd.

The club would like to congratulate Archie on a well-deserved title and wish him well as he goes forward to represent R.G.C.
